

SUMMER SAIL CAMP 2019

Your child will experience the joy of sailing and learning the essential elements of boat handling, seamanship, water safety and sportsmanship in a safe and fun environment.

Campers gain self confidence as they master the skills of sailing, learn lifelong lessons that build character, foster teamwork, and strengthen respect for self, others, and the marine environment.

Basic swimming skills are required. Camp will be held rain or shine and in the event of bad weather, basic skills and sailing-related activities will be taught indoors.

PBSC only employs US Sailing certified instructors and counselors. Instructors and counselors are certified by the US Sailing Association complete with CPR and First Aid Certification.

Each sailor will receive a t-shirt with their registration. Sailing is a lifetime sport and many of our campers have advanced to become some of the best sailors in the country. Please fill out the registration form on the opposite side of this flyer and email, fax or bring to the Palm Beach Sailing Club.
