PBSC History & Mission

The Palm Beach Sailing Club was founded in 1966. Our beautiful 1920's era clubhouse and two-story boathouse accent our waterfront property, which was once a private residence. The founders purchased this property with the goal of promoting sailing, training, racing, cruising and the camaraderie that sailors share throughout the world.

The objective of the club shall be to develop, encourage and stimulate interest in sailing in the Palm Beach County area, to promote fellowship and camaraderie among local and visiting sailors, and to offer sailing education and training to members and others.

Organization & Membership Process

We are a private organization, owned by its members, and governed by an annually elected Board of Directors and Flag Officers. All members must apply for membership, be sponsored by a current member in good standing, and be accepted by the Board. Membership is not restricted by age, gender, creed, race, religion, national origin or sexual orientation.

The following items must be submitted for Membership to commence:
